

## **Growing Together Community Gardens 2024 Summer Program Assistant Positions**

Growing Together Community Gardens (GTCG) is a non-profit community garden organization that has Program Assistant (PA) openings for the summer of 2024. The ideal applicant would be available May through September, on Tuesdays and Thursdays, between the hours of 8 AM to 8 PM. Scheduled hours will be 20 hours per week. We understand that everyone has different schedule limitations, therefore, we are willing to be flexible with scheduling.

This position gives the opportunity to experience and learn from a nonprofit gardening organization. Duties may include working with garden leaders and members, helping coordinate teams of garden workers, assisting with a wide range of garden tasks (planting, weeding, watering, pruning, harvesting, etc.), working with outreach activities, contributing to the team, and other duties as assigned. Training will be provided.

GTCG has nine garden locations in Fargo, a children's garden program, a weekly Farmer's Market (August-September), and hosts other community gatherings and events. For more information go to [www.growingtogetherfm.org](http://www.growingtogetherfm.org)

The position pays \$15 per hour on a contract 1099 basis with no taxes withheld. Applicants must have a Social Security number and be able to provide their own transportation.
